#### BRINGING NEW ORLEANS BACK HOME

Play the sound track from *The Big Easy* (the movie is too much for kids). Love those Neville Brothers. Deep-fry beignets, using a make-your-own mix from Café du Monde (\$2.20 at the café, \$6.25 to ship; 504/581-2914).

Rent *Souder*, a 1972 family film about Louisiana sharecroppers in the 1930's, with music by Taj Mahal.

Order in authentic seafood gumbo, crawfish cakes, and miraculous shrimp-stuffed boneless chicken from Carnival Brands (800/925-2774).
